Subject: Welcome to Application Services

Application Services

Dear Arpit,

On behalf of the Leadership Team, I am pleased to officially welcome you to Application Services. To align with the Group naming conventions being defined for the LEAD program, we will be changing the name of the Integrated Platform Service (IPS) to Application Services and will refer to the End-user as Practices.

This is an exciting time for Capgemini, our team and you, as we embark on a New chapter for our business. A tremendous opportunity awaits us in 2018 to grow our American marketplace and provide opportunities for you to cultivate your career and skills. The knowledge and expertise you bring to our team will play a valuable part in the success of our business.

As a member of the Application Services team, I wanted to provide you a quick, at-a-glance overview of important HR details about you. For many of you, this will simply serve as a reminder of key details for your new team/practice, these are key details you will want to keep handy for future reference.

Name:	Arpit Kumar Tiwari
Global ID:	1039961
Team/Practice:	CSD
Team/Practice Leader	Vasant Mendon
HR Business Partner:	Savita Nehra (savita.nehra@capgemini.com)
Resource Manager	Manju Sachdev (manju.sachdev@capgemini.com)

If you have any questions regarding the information provided above, please send an email to [Application Services](#) mailbox.

If you have any questions regarding the Application Services organizational structure, please send an email to [NAR, Application Services - Questions](#) and we will get back to you as soon as possible.

Please note, corporate systems are being updated with this new information. It will take a few days for the Application Services organization updates to reflect in Outlook and Corporate Directory. However, please take a minute to update your email signatures to reflect our new name. Please see instructions below.

Looking for more information on Application Services?

- Please visit the [Application Services Portal on KM 3.0](#).
- Our next All Hands Call will be on February 20, 2018 at 9:00 AM Eastern time. Please join on the first of February.

As we move into our new **Application Services model**, it's important that each individual understands the new organization structure. To this end, the leadership team has designed custom content to provide an overview of the **Application Services organization** and its practices.

In the coming weeks, you will receive messages from the My Learning team with information on how to ask that you to attend the full course of **Application Services training** so you can learn how to manage your career in our organization.

In the meantime, welcome to Application Services! I am looking forward to working with you on our business in North America and your career with Capgemini in 2018 and beyond.

Sincerely,
Dan Martino
Chief Operating Officer, Application Services

***Instructions for updating your email signature:

- Forward this email
- Choose signature block style one or two (below)
- Update the selected signature block with your information
- In Outlook, select
 - File
 - Options
 - Mail
 - Signatures
- Create new signature
- Copy and paste updated signature block below
- Update default signature to new signature and click ok to save
- Create a new email to test
- Tip: do not edit in signatures, edit in email, then paste into signature window
